This is where it all began... 4 June 18  
My dream to build a company  
that fosters respect and dignity,  
to create a place where we can  
all come together over a cup of coffee

## The pleasure principle

As the pandemic rolls on and world tensions escalate, it is more important than ever to find joy in the simple things

# Blessing

'You are the salt of the earth...' Matthew 5:13

---

God of all creation,  
Make us mindful that all we consume,  
All that we taste,  
Has already been blessed by the sun, earth and rain.  
Help us to take the time to be grateful  
For the hidden gifts of life in our food.  
Bless our sense of taste  
So that when we pick up utensils to eat,

Or raise a glass to drink,  
We do so in ways that honour those who have  
Planted, tended, harvested, prepared and served.  
Remind us to find joy in the comfort and the variety  
Of the totality of tastes that surround us;  
Awaken all our senses  
To enrich each one of us  
On our journey towards whole person integration.

# In Recognition of Gifts

In 1843, Joseph Pariseau presented his daughter to Emilie Gamelin.

"I bring you my daughter Esther, who wishes to dedicate herself to the religious life... She can read and write and figure accurately. She can cook and sew and spin and do all manner of housework well. She has learned carpentry from me and can handle tools as well as I can. Moreover, she can plan and supervise the work of others, and I assure you, Madame, she will some day make a very good superior."

# Purpose

"Do you have a favourite saying?"  
asked the boy.

"Yes," said the mole.

"What is it?"

"If at first you don't succeed,  
have some cake."

"I see. Does it work?"

"Every time."

"That's why we are here, isn't it?"  
said the boy.

"For cake?" asked the mole.  
"To love... and be loved."

# 1

## *What is the difference between having a purpose and being purposeful?*

Having a purpose is about finding the right job or the right cause. Being purposeful is about flowing into any situation—even the most seemingly ordinary—with the insight, intention, and ability to make it better. It's noble to have a purpose. And even nobler to be purposeful in every moment.

## THE MISSION

As expressions of God's healing love, witnessed through the ministry of Jesus, we are steadfast in serving all, especially those who are poor and vulnerable.

## OUR PROMISE

Know me, care for me,  
ease my way.

# DIGNITY

# May The Light Of Your Soul Guide You

May the light of your soul guide you;

May you see in what you do the beauty of your own soul;

May the sacredness of your work bring healing, light and renewal to those who work with you and to those who see and receive your work;

May it release within you wellsprings of refreshment, inspiration and excitement;

May you be present in what you do.

May dawn find you awake and alert, approaching your new day with dreams, possibilities and promises;

May evening find you gracious and fulfilled;

May your soul calm, console and renew you.
