Hopes and Aspirations for Providence Ministries

We ask that you be good stewards of all we have been given for this ministry – our people, our resources, our earth. We have been blessed, particularly in Alaska, Washington, Montana, Idaho, Oregon, California, and El Salvador with an abundance of natural resources that have allowed our ministries to flourish. Yet our society has not always been wise in its use of our land, water and air. We hope Providence will be a model of good stewardship that we may demonstrate faithfulness to our values and that others may learn sound stewardship practices from us.

MOTHER JOSEPH PROVINCE

Sisters of Providence

Gracious and generous God,
Creator and Giver of all that is good,
we thank you for our many blessings.
We offer you thanks and praise
for the beauty of the earth, our work,
our family, our loved ones,
and all the gifts we have been given.
You are with us always.
In each dark hour, you are here.
In each bright hour, you are here.
Blessed by your grace,
may we show gratitude
by sharing what we have been given.
By serving our brothers and sisters,
we serve you.
We remain ever grateful
for your constant love,
Protect and guide us on our journey,
as We seek to be your faithful
stewards.
Amen.

What's one thing people expect you to do that no longer makes sense?

When you are skilled at something, it's easy to get stuck if the people around you expect you to keep doing it. But just because you are especially good at something doesn't mean it makes sense for you to continue doing it forever. It's wise not to let our skills and abilities hold us hostage.

Ministry

Teach me how to trust my mind,
my heart,
my intuition,
my inner knowing,
the sense of my body,
the blessings of my spirit.
Teach me to trust these things so
that I may enter my sacred space
and love beyond my fear
and walk in the balance
of the passing of each glorious sun.
